

View Grades and Report Cards Online with NISD eGrades

Northwest ISD parents can access student data through the Home Access Center ("Grades Online") link on our district homepage, www.nisdtx.org. This service allows parents to monitor their children's grades and attendance through a safe and secure Web connection. To access the site, parents must contact their child's school to request a password for this feature. If you have questions or problems utilizing this service, please contact your child's campus or Julie Elder at jelder@nisdtx.org.
